Dear Mr Pangilinan,

29th Asia-Pacific Regional Scout Conference

I am delighted to offer my enthusiastic support to the Scout Association of Hong Kong in its bid to host the 29th Asia-Pacific Regional Scout Conference (APRSC) in Hong Kong, China in 2028.

One of the great assets of Hong Kong, China is our dynamic and talented youth. The Government of Hong Kong Special Administrative Region (HKSAR) attaches central importance to youth development. We are committed to providing our youth with a nurturing environment and promising future. The Scout Association of Hong Kong works closely with us in this regard, promoting responsible, disciplined, globally minded young leaders through its scouting programme.

Hong Kong, China, as Asia's World City, is the region's events capital, and the ideal meeting place for the 33 National Scout Organizations that make up the Asia-Pacific Region. The Scout Association of Hong Kong brings a wealth of experience in organising major events, hosting the 19th APRSC in 1998, as well as the WE@Future Jubilee in December 2024, the International Scout Youth Forum on Modern Technology and Scouting in June 2024, the APR Forum on Scouts for Sustainable Development Goals in April 2023 and other events. If our Scout
